INTRODUCTION

Product Owner (PSPO II certified) with a data analytics foundation, specializing in turning ambiguous business problems into prioritized, high-value backlogs. Proven track record of owning products end-to-end - from discovery and stakeholder alignment through delivery - with measurable gains in performance, decision speed, and team efficiency.

PROFESSIONAL EXPERIENCES

Proxy Product Owner | Data Analyst

October 2023 – Present

FPT Software, Ho Chi Minh City, Vietnam

- Owned the Data Mart 2.0 backlog from problem definition to release, delivering a **91% performance improvement** and **600%+ increase in data capacity**.
- **Defined requirements** and **prioritized delivery** of **10+ enterprise dashboards**, giving senior stakeholders faster, more reliable access to insights.
- Redesigned backlog and sprint processes, **lifting team efficiency by 30%** and **cutting rework by 20%**.
- **Led end-to-end product discovery** (problem framing, user research, solution design, roadmap planning) for **client-sponsored innovation programs** with Cox Automotive and Chelsea Football Club; outcomes were **adopted as candidate features** on clients' live roadmaps.
- **Won or placed in 3 external product ideation contests** (Champion for Cox Automotive Innovation Contest; 1 Champion and 1 Runner-up for Chelsea FC/Clearlake Capital Product Idea Jam); **recognized as Top 3 Rookie** (Q1 2024).

Event Manager | Chief Translator (*Per-Project Basis*)

July 2023 – Present

Learning Mastery PTE. LTD., Singapore - Babylons Group, Vietnam

- **Owned end-to-end execution** of large-scale programs (400+ participants, 50+ staff), **standardizing workflows** that made delivery repeatable and consistent.
- Built a continuous feedback mechanism with participants and stakeholders, using it to **iteratively refine program structure and communication flow**.
- **Mentored participants** into future translators and core team members, **creating a sustainable talent pipeline**.
- Coordinated between trainers, operations, and stakeholders to keep a multilingual, multi-team program aligned on shared objectives.

Event Organizer (*Per-Project Basis*)

July 2018 – July 2023

Learning Mastery PTE. LTD., Singapore - Babylons Group, Vietnam

CERTIFICATIONS

Professional Scrum Product Owner II (PSPO II) – *Scrum.org*

March 2026

Certificate of Data Science - Intensive course – *CoderSchool, Vietnam*

May – August 2023

EDUCATION

Bachelor of Sciences, Technologies, Health – IT Major

September 2020 – May 2023

Université d'Angers, France

- **Led multiple project teams** from concept to delivery.
- **Ranked 3rd** in a machine learning competition (95.25% accuracy, phone price prediction model).
- Nominated **Top 15 Students**, 2023 graduating class.
